# DEDICATION

For you, a special person, we create this book. As a teacher, advisor, and friend you have set examples for your students to follow; you have continuously pushed us farther on the long and winding road of education. However, most importantly, you have helped to prepare us for life.

To you, Mrs. Barbara Wilsey, the Tom Tom Staff wishes to show its appreciation. You have shown

us that hard work pays off. Your advice to the yearbook staff from 1973 to 1980 has been that we must work in order to succeed as a group. Your many essays and research papers have taught us how to write. The road you have helped us to pave will always lead us back to thoughts of you. Therefore, we dedicate the 1980 Tom Tom to you, Mrs. Wilsey.

# THE LONG AND

WINDING ROAD . . .

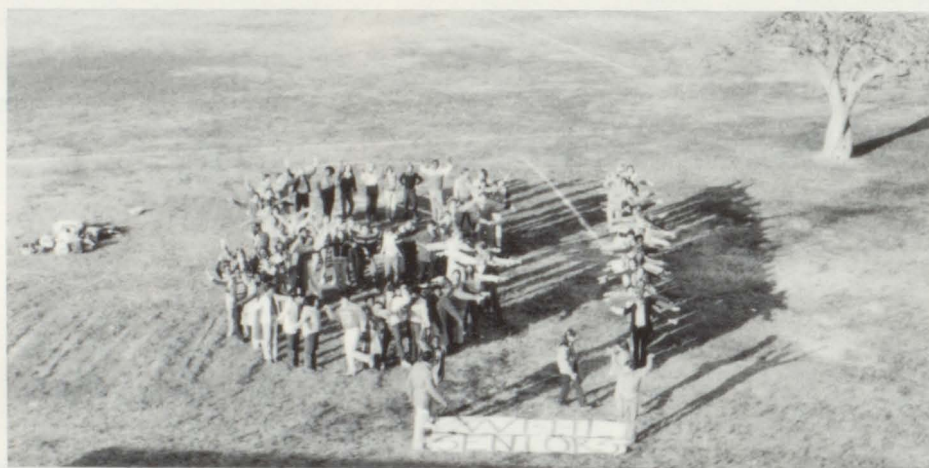

Along the way, there have been feasting times and fasting times. The road has not been lonely, for we have made many friends, even some as far away as Italy. We've shared in Kristi's joy when she was crowned Homecoming Queen . . . We've chosen to forget the bad times, but we will remember the good times, like the 1980 Homecoming Dance.

One long and winding road came to a tragic end this year with the death of ex-Beatle John Lennon. But as one road ends, another begins and the members of the Senior Class are getting ready to start off in their own directions. Lauren Dianich started down a road taken by many pretty girls at Wi Hi, that of Homecoming attendant. And though the road for the field hockey team has always been rocky, it became a little less so as they improved their record to 3-7.

Many of us took the day off to travel down the long, straight road to Ocean City - and didn't it seem to take longer to get there than it did to come home?! And while some were taking the day off, others were traveling down the long, rough, bumpy, hazardous, tiring road to completing the year-book.

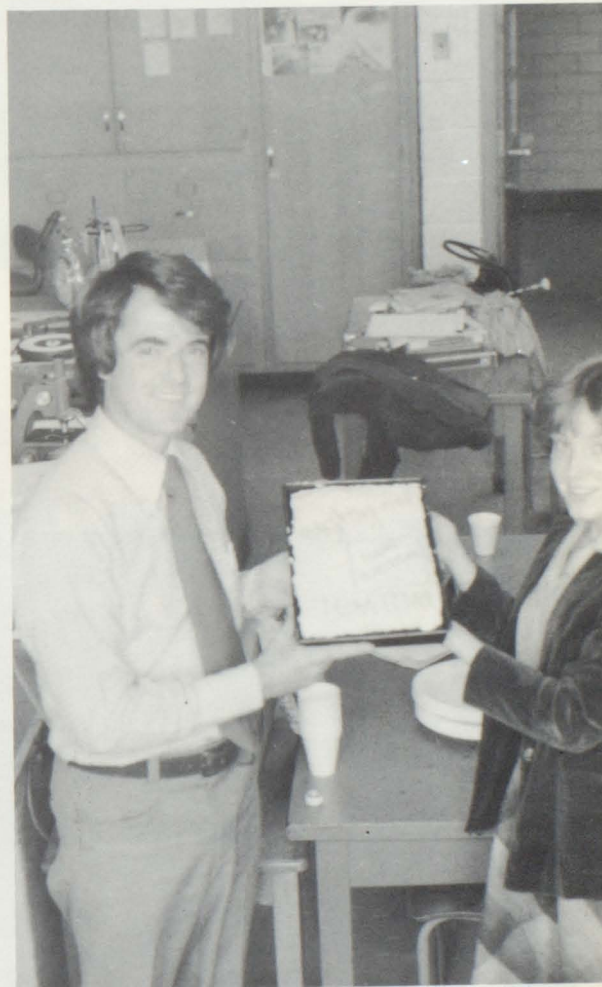

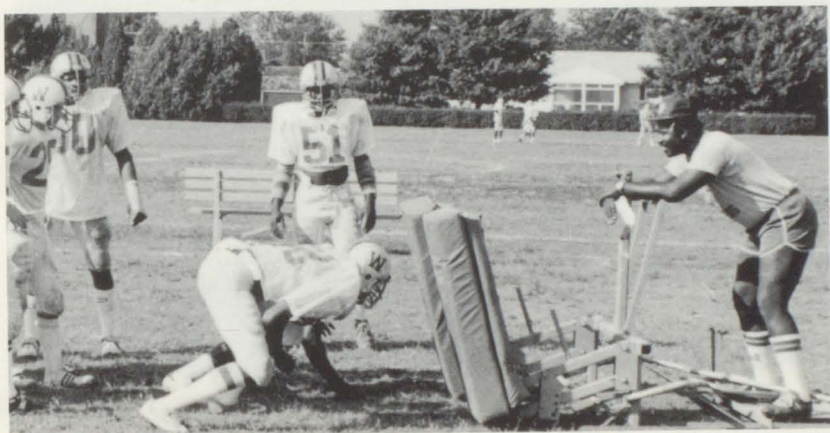

Where would Wi Hi have been on its road to victory without its ever cheering and supportive crowds? Though our sports teams were terrific, the yelling fans sure did add a lot more spirit to the games. And while the fans chose to use their voices, some of us wanted to use other body parts to help us get on down the road. Some soccer players used their heads, and students who attended the Homecoming Dance used their feet (and other parts of their bodies) in easing on down the road.

The road may have been rough, but no matter what the problem Wi Hi has always pulled through. The cheerleaders, who were a little "weak in the knees" always managed to find something to laugh about. And though our football team had problems of its own to "tackle", we know they'll be out there again next year tougher than ever. The volleyball team hit mostly "bumps" along their road but still were a tough team to beat. And with a new yearbook advisor this year, we were sure there would be some problems but Mr. Bond reassured us by saying, "This job will be as easy as . . . cake . . . uh, I mean pie!"

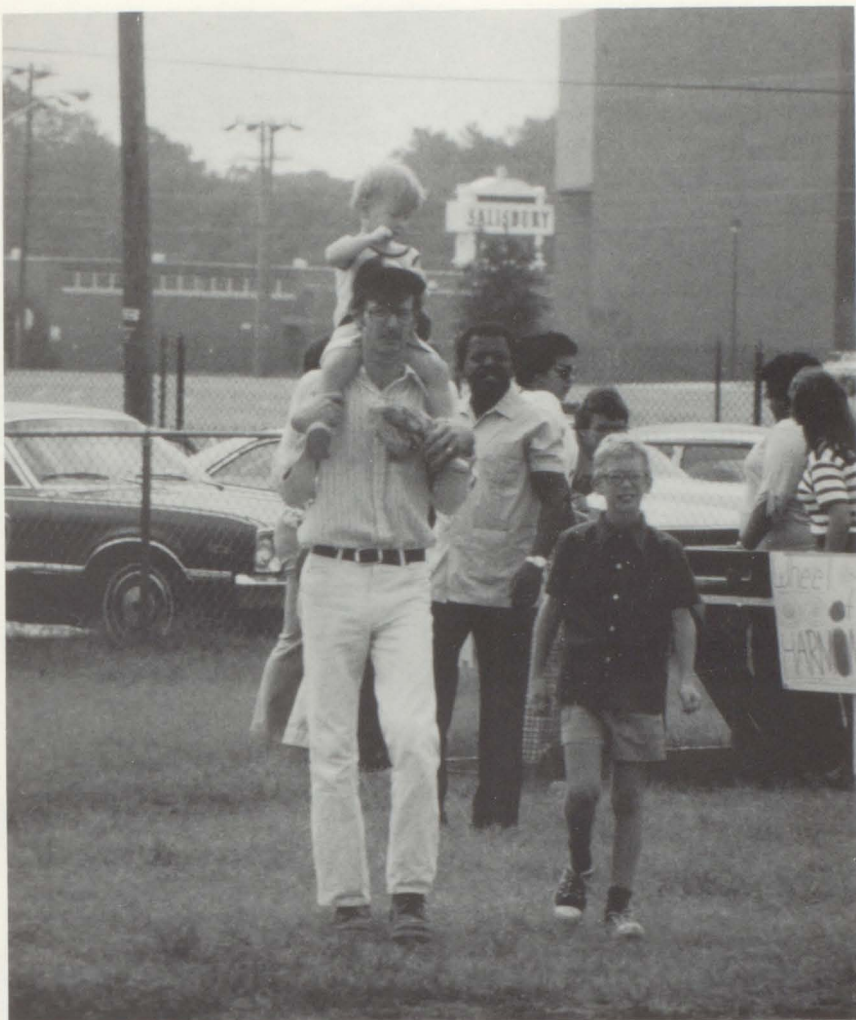

Along the road we have seen many different sights. The sophomores tried to take the float competition but wound up on the other side of the street. The Senior Class clowned around this year but still turned out a good Senior Fair.

One new road at Wi Hi began this year with the addition of the new guidance counselor, Mr. Mumford. The road went through the hills and found a clan of Hillbillies that decided to come to Wi Hi. Kim served up a good year and Phil thought it was a big splash. The road at Wi Hi is coming to a close for some but will continue for others. But whatever the case may be, it will be one that no one will ever forget.

FRESHMEN

Freshman Class Officers: Trinee Dashield, Pres.; Lauren Dianich, Vice-Pres.; Beth Phillips, Sec.; Karen Barker, Treas.

Noooo! You're kidding!

Cheering freshmen.

As Freshmen, the first few days were somewhat frightening but we quickly adjusted to everything. We began by electing our class officers: Trinee Dashield, Pres., Lauren Dianich, Vice- Pres., Beth Phillips, Sec., Karen Barker, Treas. Our next election was for Homecoming Reps and we again chose Trinee Dashield and Lauren Dianich to beautifully represent us. With the help of many class members we began to construct our masterpiece float. Our theme was The Three Little Pigs and we came out on top with a first place finish.

Although All-Sports Night wasn't as much of a success,

we intend to do better next year with a little more help.

We raised money this year by selling candy,. Either the Reese Cups and Krackel bars were more than good or everybody was very hungry because we sold every last piece of candy. Obviously, this fund raiser was a success.

We would like to thank our class officers and sponsors for all the time and effort they put in to help us out.

SOPHOMORES

Sophomore Class Officers: Lori Shockley, Treas., Tracy Greene, Vice — Pres., Anna Emond. Pres., Ruth Richins, Sec.

We sophomores started the year with a small treasury. Our first order of business was our water balloon throw at the Senior Class Fair. The balloons really flew and we raised over fifty dollars. Although this would hardly make a dent in the money needed to build our float we began construction and with the help of donations, managed to place second and still have money left over. We were beautifully represented by Debbie Gaddis and Ruth Richins in the Homecoming Court.

Next, we had several sales including the sale of Wi-Hi ball-point pens. This was a large success and a bake sale added twenty more dollars to our treasury.

Then came All-Sports Night. Even with an increase in participation we still came in fourth. But as they say, wait until next year.

Thanks go to the whole class of '83 for their support and increased participation. Thanks are also in order for our excellent class officers and our wonderful class sponsors.

JUNIORS

Junior Class Officers: (top to bottom) Sandy Layton, Treasurer, Ann Meilhammer, Pres., Jill Nock, Sec, Not pictured: Leigh Hurley, Vice-Pres., Barbi Beach, Historian.

What? We don't have any money? But we've got the Junior-Senior Banquet to pay for! What are we going to do?

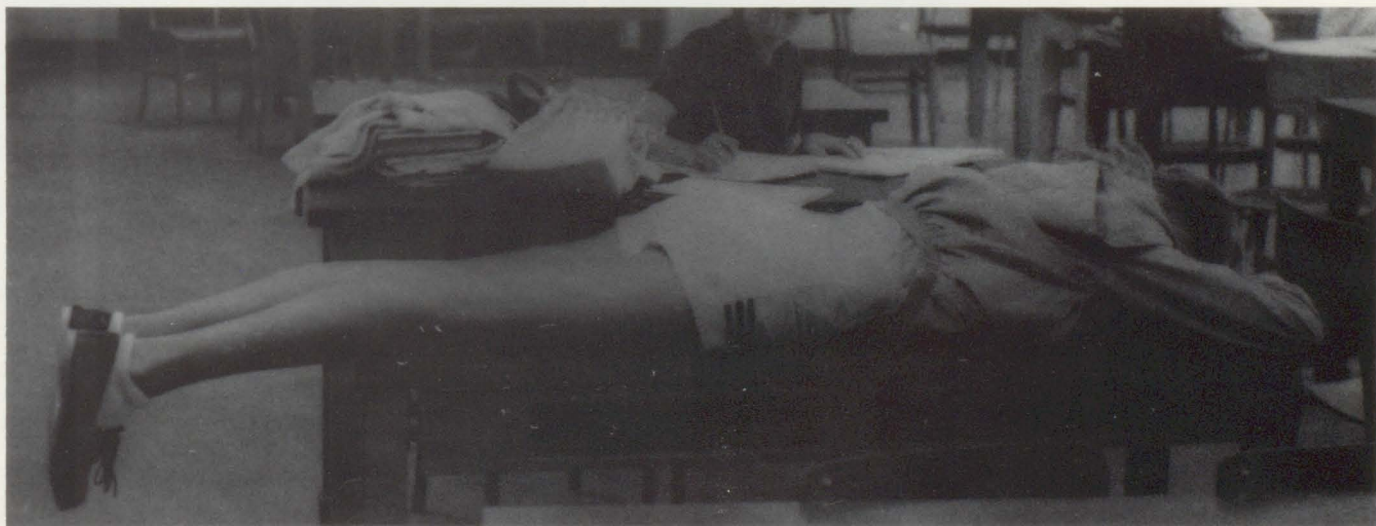

These are the thoughts that ran through the minds of our newly elected officers, who were: Ann Meilhammer, Pres.; Leigh Hurley, Vice-Pres.; Jill Nock, Sec.; Sandy Layton, Tres.

To help boost our economic standing we had several car washes and bake sales and a dart booth at the Senior Fair. Even with money to build the float, Pinochio still brought us a last place finish. However, we did win the spirit chain competition sponsored by thr Keyettes.

Then in January, we proved our rowdiness by winning first place at the Winter Pep Rally. At all Sports Night we almost defeated the defending champions, the Seniors, but due to a lack of participation we lost by a mere four points. Wait 'til next year!

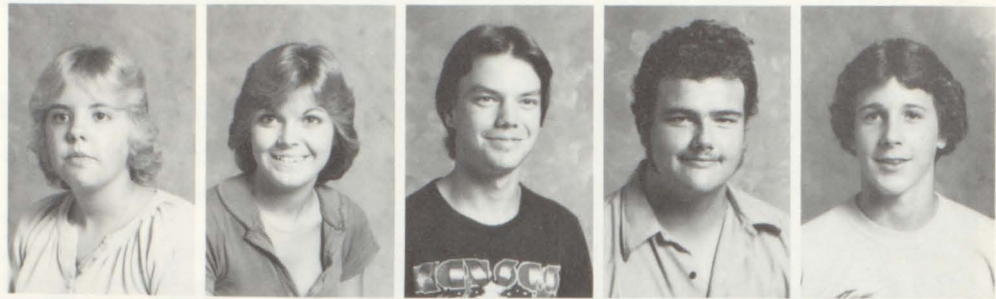

We turned our attention to the Junior/Senior Banquet. All in all it was a very successful night with one hundred and eighty people attending. The dinner was catered by English's, and B-Bent Sound rocked us through the rest of the evening. Now our long awaited Senior Year is almost here!

The Seniors kicked off the year with the first annual Senior Carnival. Munchies were provided by the Senior class in addition to a money drop that gave you a chance to double your money. All classes set-up their own booths. Along with the class booths many clubs participated which added excitement to the day. Carrying on tradition the Seniors provided games which included the three-legged race, the water balloon toss, and the rug-of-war. There were even clowns to brighten the day. All will agree that the main word of the day was FUN!!

# SENIOR CLASS HISTORY

Four years ago, in 1977, we the class of '81 were beginning and so were the memories that we take with us.

To begin, we go back to our ninth grade year. As Freshman, our first decision was to elect class officers. They were President Lisa K. Culver, Vice President Jessie Mears, Secretary Pam McGlothlin, Treasurer Karhy Moreno and Historian James Parker. Following this election, we began to organize our class and to work together to prepare ourselves for the new experience of Homecoming.

Homecoming arrived. Despite our hard work, our float entitled "Make the Lions Pussycars" took last place. Despite this, however, we held our heads high and we learned that our togetherness and patience would prevail. Chosen by the class to represent us in the Homecoming court were Lisa Culver and Kim Malone.

The remainder of the year we spent raising money by way of bake sales.

After a summer full of bake sales on the downtown plaza, we enter our second year as underclassmen with boundless enthusiasm and determination. We found these qualities in our officers - President David Michaud, Vice President James Parker, Secretary Andrea Karras, Treasurer Gayle Bowden and Historian Lisa Griffith. These same qualities gave us strength as we spent hard hours working on the Homecoming float. Our Wi Hi roadrunner well represented our slogan of "Wi Hi Leaves Kent in the Dust". Although it placed third, we were proud of our accomplishments and our lovely Homecoming attendants Tammy Myer and Judy Leatherbury.

Sophomore fund raisers included selling Christmas wreaths, a spaghetti dinner and the popular bake sales.

We all remember the height of our sophomore year when we placed second by beating the "superior seniors" at "All Sports Night."

Full of energy and spunk, we anxiously began our Junior year. We soon learned to take our expectations and to make them accomplishments. Because of the dedication of our class advisors and officers - President Ted Matthews, Vice President James Parker, Secretary Lisa Culver, Treasurer Sarah Shafer, and Historian Jessie Mears, the year was a success.

As Homecoming arrived, many of our thoughts were with the hostages. Inspired by their courage, we worked hard to build our float representing the theme of the Olympics. Although we didn't win, the class was boasted by Homecoming attendants Tammy Myer, Sherri Corbin and Kristi Richins.

To support all our activities, money was raised from bake and candy stick sales. We enthusiastically won the trophy at "All Sports Night." In April we ordered our class rings. Once again we had the chance to show our talents as we sponsored an elaborate Junior-Senior Banquet.

Finally our long awaited Senior year arrived. Our officers are President James Parker, Vice-President Jon LaMar, Secretary Pam McGlothlin, Treasurer Lisa Griffith and Historian Kim Malone. We started off the year with a successful Senior Carnival. Following the Senior Carnival, came our last Homecoming. To the beat of some old records, we constructed a float entitled "WiHi Scores While Kent Snores." We were proud of our accomplishments. Our Homecoming attendants were Victoria Anderson and Jessie Mears and our Homecoming Queen was Kristi Richins.

After a long winter with little snow, our schedule began to fill up once again. First there was "All Sports Night", where we proved what it is to be a true senior class when we won the trophy again. Our Male Auction proved to be a success thanks to good participation. With Spring, came the fun of taking the Senior Comprehensives. In May, we were given an unforgettable Junior-Senior Banquet.

Excitement began to surface with the final plans of the Prom. We structured our decorations to the theme of "Midnight Magic." The band was Joint Venture. Our class colors are burgundy and white; our flower the rose; and our song "The Long and Winding Road." Our motto is Remember yesterday, Dream of tomorrow and Live for today.

The week following prom was filled with many events that helped pass the time for us restless seniors. Our parents and friends watched us proudly as we participated in the Senior Awards Assembly. Our excitement began to peak with the arrival of the cap and gowns, as we realized the end of our high school career was near. We participated in the traditional Baccalaureate services. Gathered together as a class, we listened to songs and words of inspiration given by Reverend Ringold and fellow classmates.

As we approach the end of our high school education, we stand together as a class for the last time. We all are filled with mixed emotions, but are thankful for the teachers, parents and friends who have inspired us. We thank God for the part of us that we can leave behind, but most of all for the special memories we take with us. For we will always Remember yesterday, Dream of tomorrow and Live for today.

Respectfully Submitted,  
Kim Malone  
Class Historian

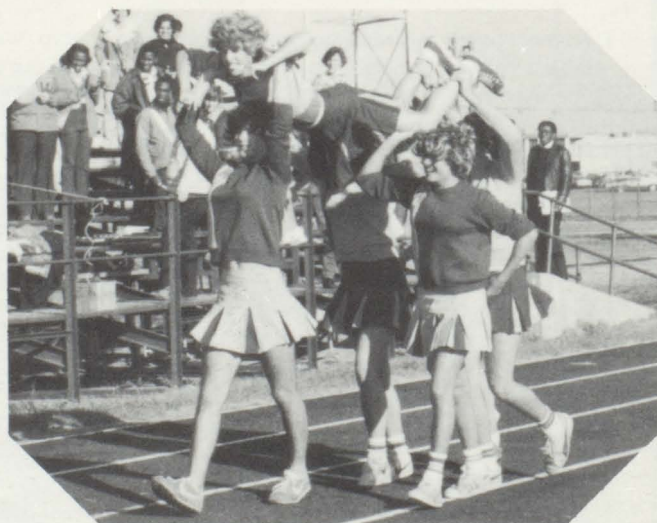

## ONCE UPON A TIME . . .

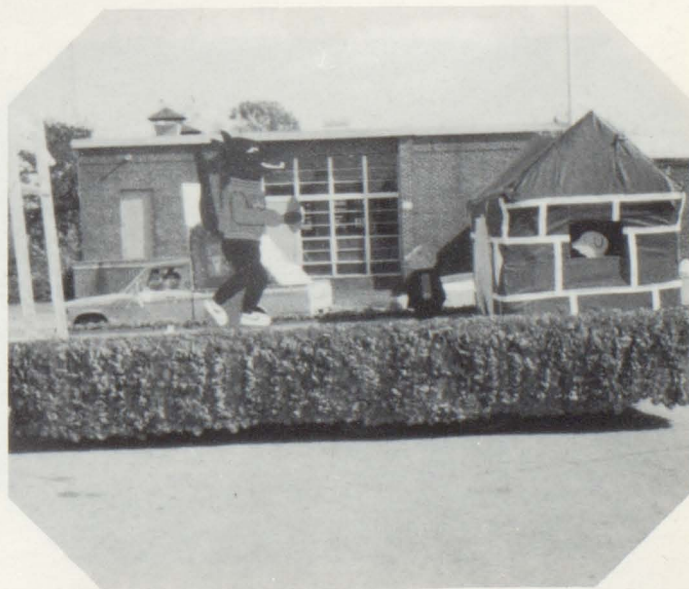

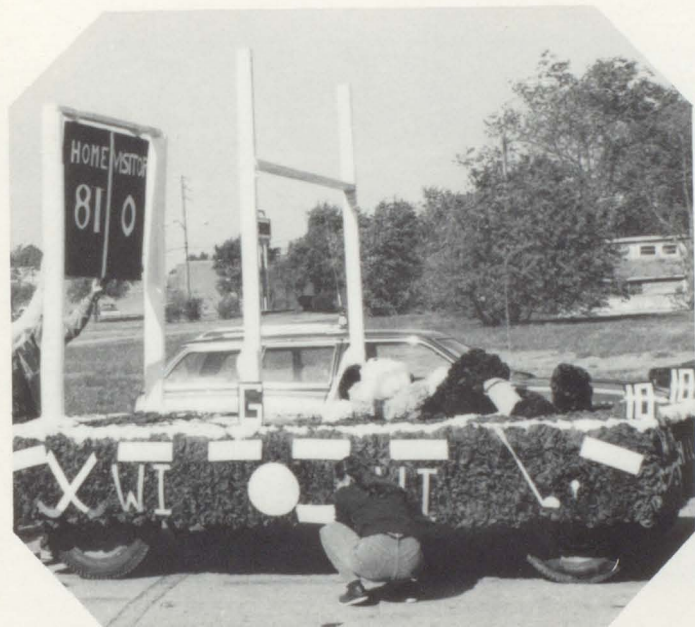

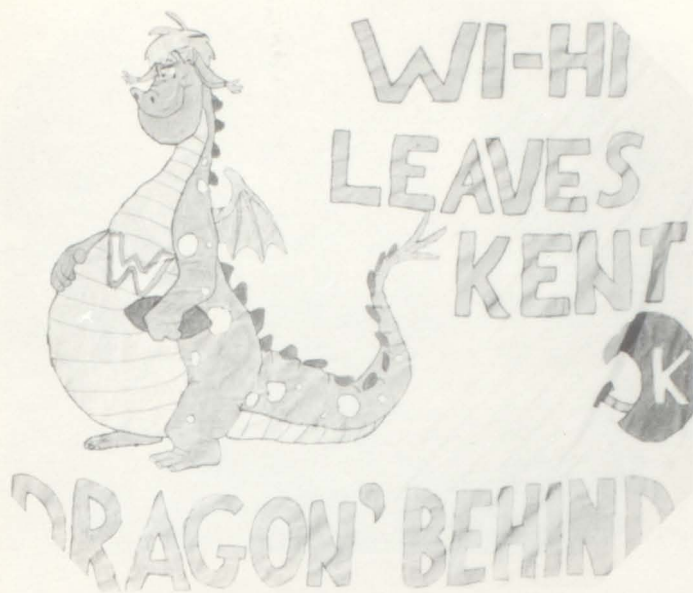

"I say spirit, you say got it!" Wi Hi sure displayed their spirit for this year's Homecoming. The theme was Fairy Tales. The spirit chain contest, sponsored by the Keyettes, was won by the Junior class, and the banner competition was won by the French club. To get everyone "fired up" the cheerleaders presented a fine pep rally. The class of '81 proved to be the rowdiest. Wi Hi would like to wish Jimmy Fox a successful career as a ballerina! Oh yeah, Connie, we hope you get to the **john** next time! Saturday morning started up the busy work of lining up the parade and making sure everything was perfect. Special thanks go to Gayle Bowden for her fine job in organizing the parade and activities. The Freshman class huffed and puffed their way into winning first place in the float competition. During half-time festivities, Kristi Richins was crowned this year's Homecoming Queen by Carole Wells, last year's Queen, and Martin Curry, SGA President. Saturday night finally came, and gave everyone a chance to unwind from the hectic day. W/WTR provided the music with DJ's Kevin McKenzie and Wi Hi's own Paul Butler. Special thanks go to Vicki Jones and her dance committee for a job well done. Jessie Mears and Tim Meagher "came up" when they won the dance contest. The dance proved to be an enjoyable end to this 1980-81 Homecoming.

# DRAMA

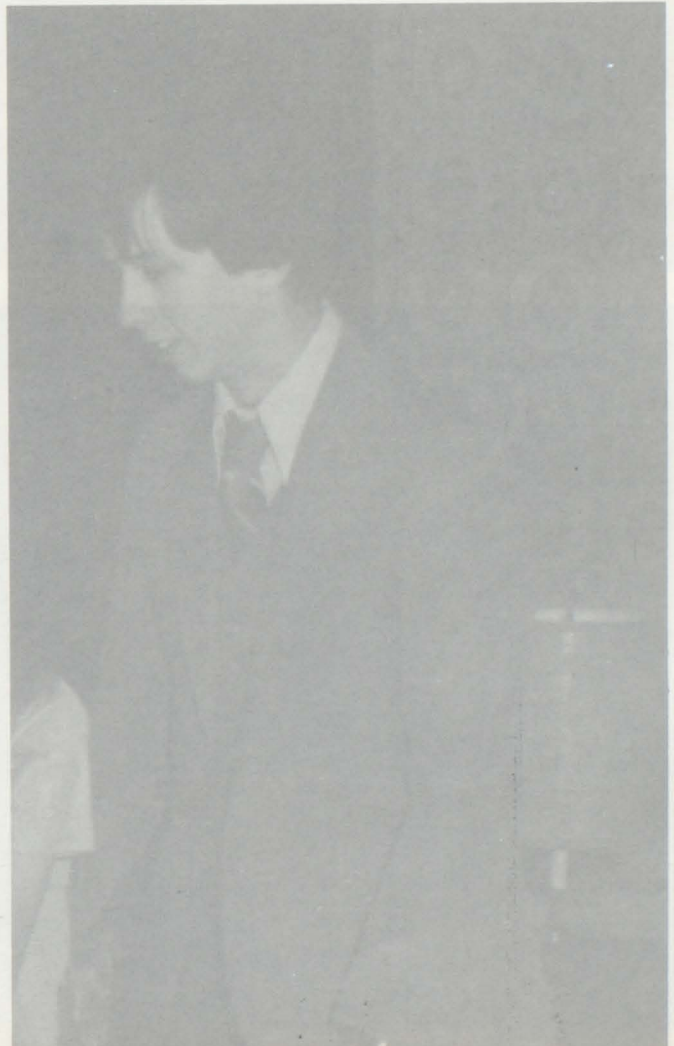

This year the Drama Department entertained us with several shows. The first production was the Senior Class Play, "Mary, Mary" directed by Julia Taylor, which played on November 20 and 21. The title role was played by Kim Murphy and the male lead was portrayed by our greatest ham, John Frazier.

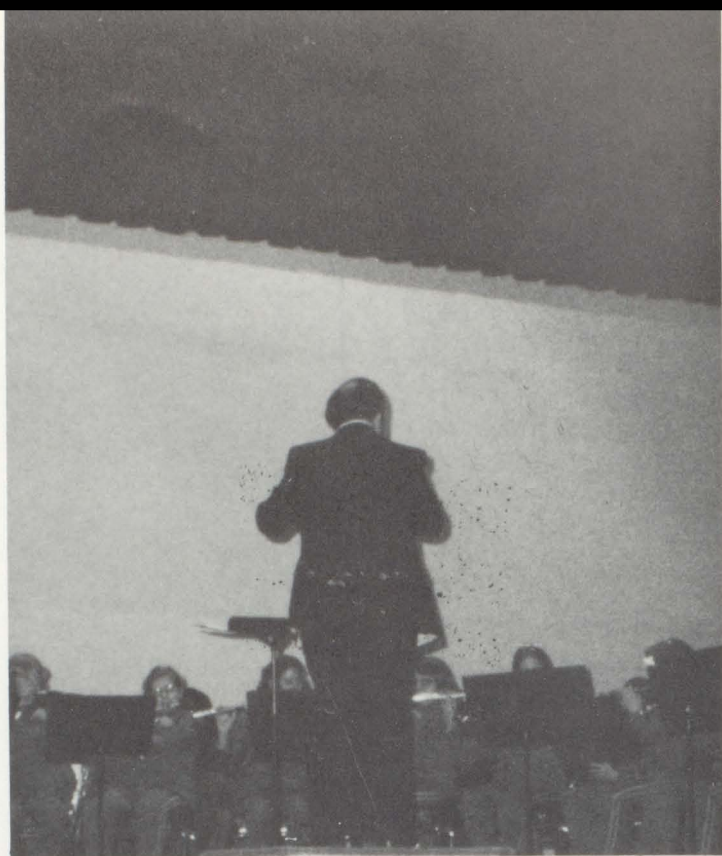

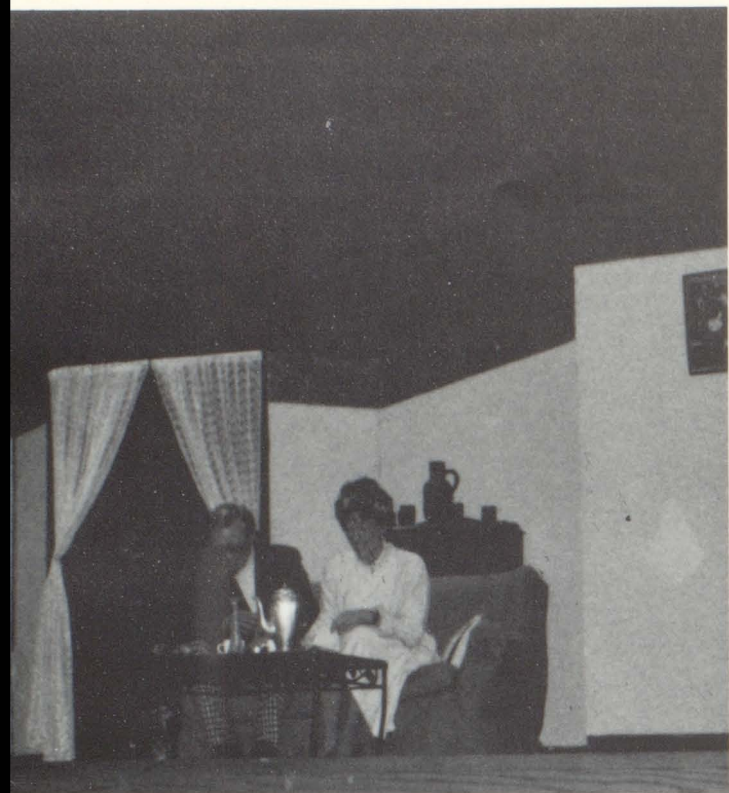

The Speech and Drama I classes got a taste of The Lure of the Floodlights during March and April, when so many of them missed classes because of their cross-country tours. the plays were "Zelda", "End of the Rainbow," "Finders, Keepers." The Speech and Drama II student teachers directed.

The last production of the year was the Speech and Drama II students last fling, again with Mrs. Taylor directing. The play was "Black Jack rides again" starring Ken Johnson, John Frazier, Jan Wright, and Paula Scott as the heroic rebels of an old folks home.

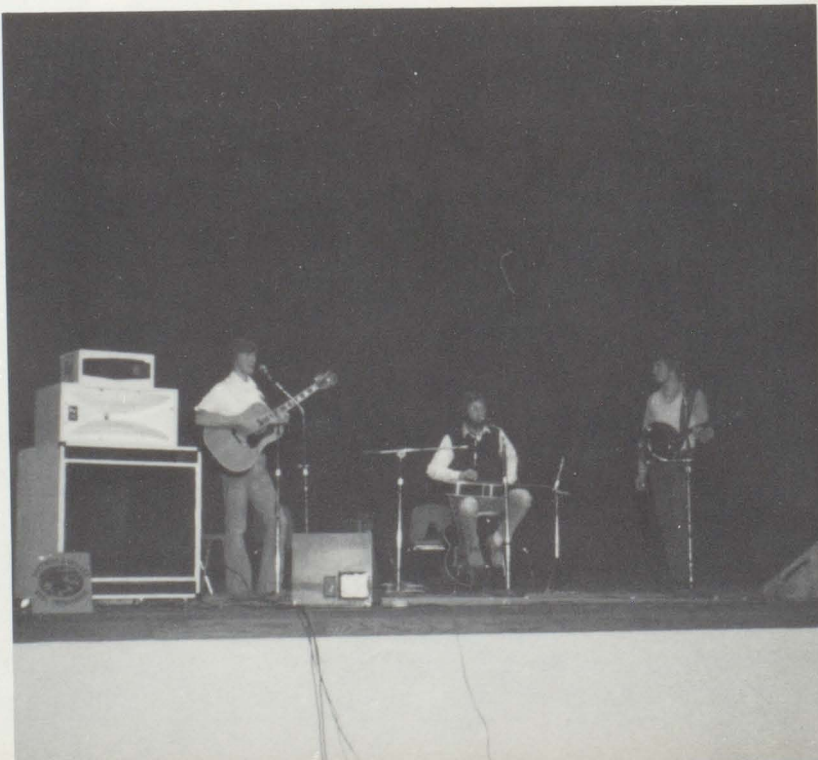

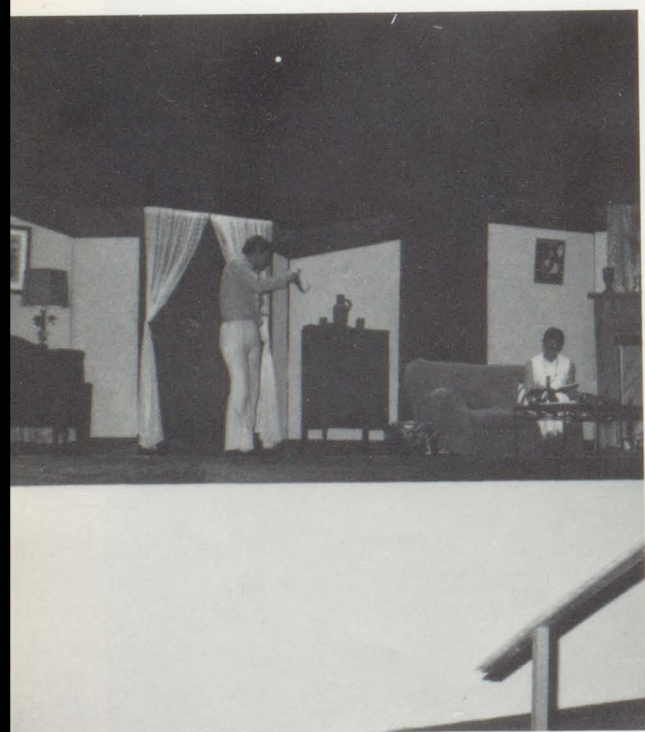

Although there were no school production for fine Arts week, all 'n' all it was a fine year. Break a Leg!

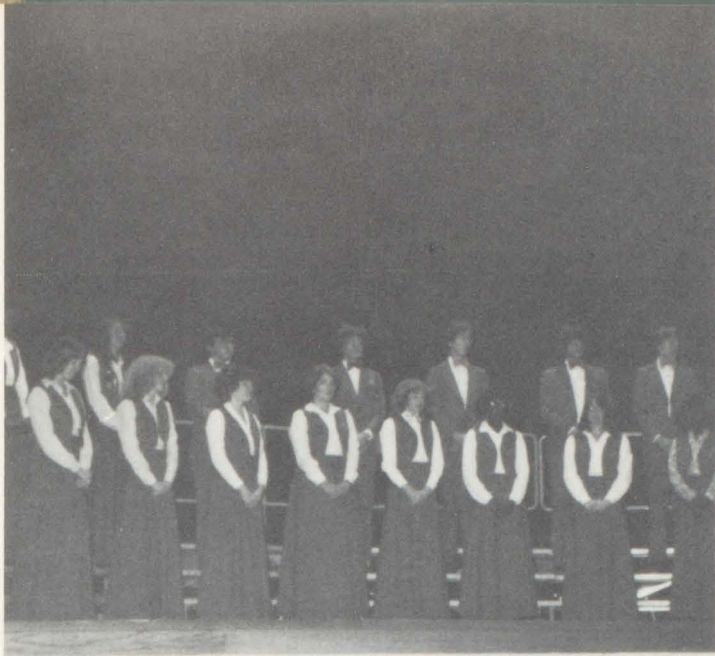

FINE  
ARTS  
WEEK

Fine Arts Week this year was a success, despite problems with workshop scheduling that only allowed a few few to participate in the many workshops.

We were entertained by the great Franz Litz, who came back to life to enlighten the student body-who thought that classical music had to be boring. Later on we were also musically regaled by our own choir and the band.

The many workshops included one on textiles and another on pottery making.

Charlie Chaplin movies played during all study halls in the Media Center.

The Juniors also got to see Act two of "The Same Time, Next year" performed by the Parker Playhouse of Ocean City.

Fine Arts Week also left us with our own artwork, including the "Thing", Which baffled everyone, including its makers, an art class.

# WINTER 81 CARNIVAL

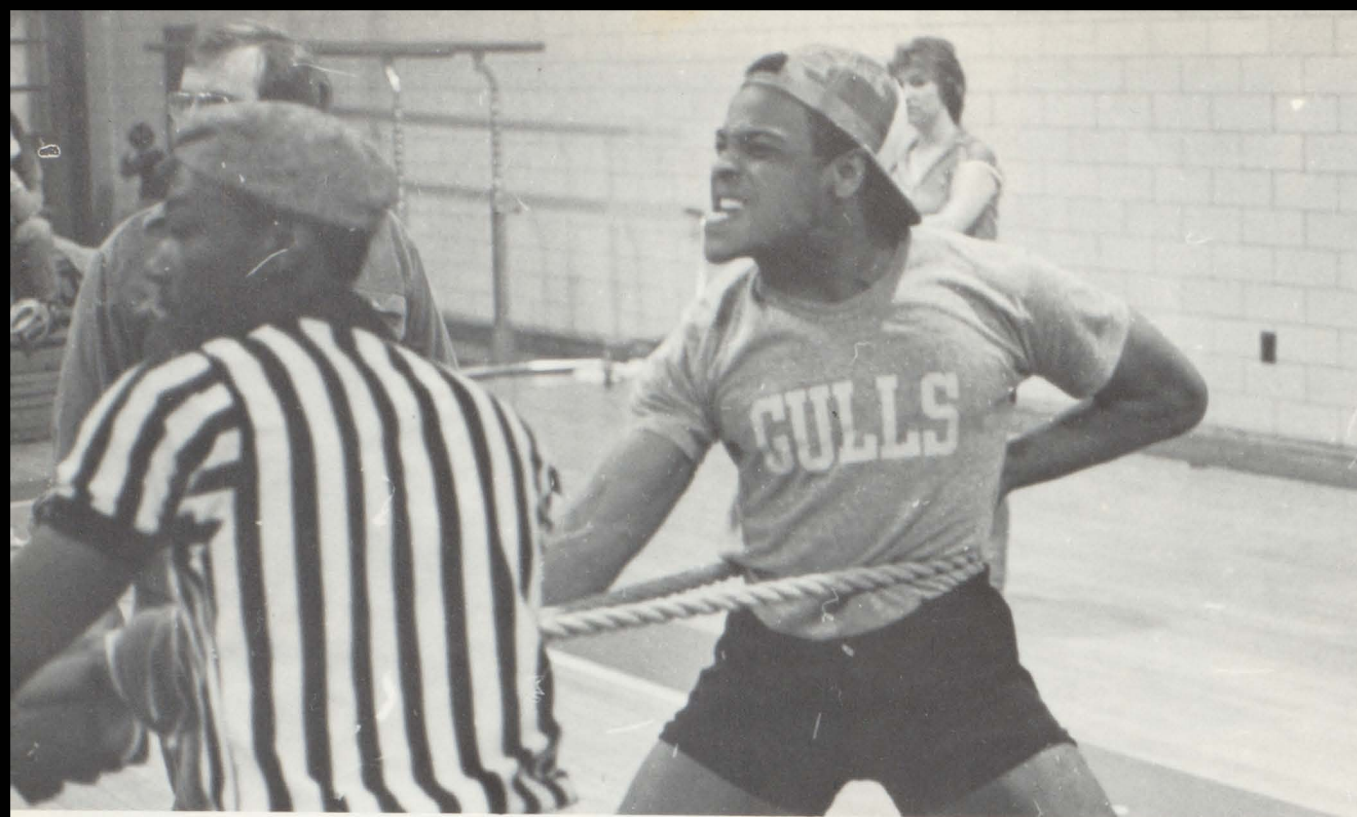

This years Winter Carnival Dance was held on January 29. The dance was a fun - filled evening that gave everyone a chance to celebrate the end of exams. Music was provided by "B-Bent Sound." Students seemed to think that this would be a good time to recognize the guys in our school; We elected a Snow Court and they are as follows: Freshman: Buddy Bozman, Ken Wilson; Sophomore: Brain McGinty, Donald Perdue; Junior: Jeff Dale, Jeff Reddish; Senior: Mike Jones, Chris Kane, Josh McIntosh.

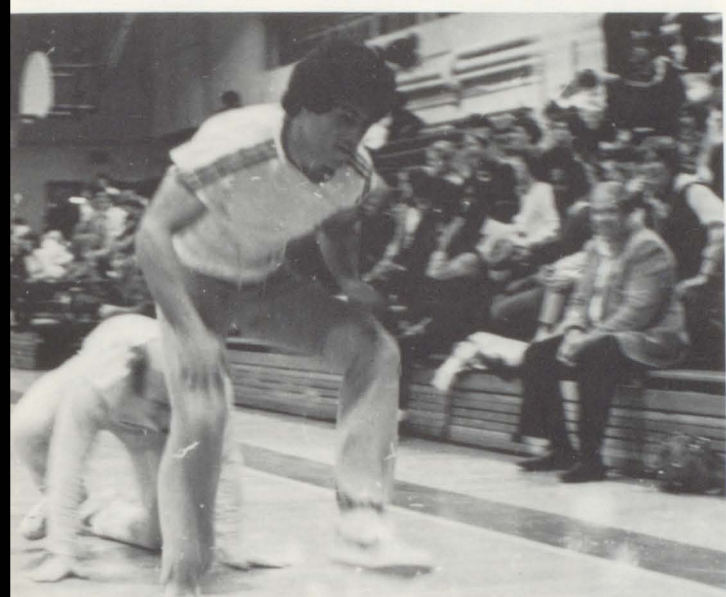

## ALL SPORTS NIGHT

All Sports Night was held in March, this year. Starting it off was the coin drop, won by the Juniors. Competition was stiff all night with the Juniors and Seniors battling it out for first. The events included leap frog, wheel-barrow race, human tunnel race, balloon race, izzy dizzy relay, rug of war and many others ending in the grueling obstacal course. The Seniors pulled it off winning the trophy and the glory.

# 1981 JR-SR BANQUET

This year's Jr./Sr. Banquet was held on Friday, May 1, 1981. After a wonderful dinner of chicken, crab cakes and ham, came the moment we had all been waiting for. Awards were presented by host Rick Hoppes and hostess Terri Tonelli. After the awards, Jan Wright and Beth Richardson, both seniors, sang songs appropriate for our graduating class. Next, music and entertainment was provided by B-Bent Sound. Decorations of blue streamers, glittering stars, and white carnations helped make it truly a night of "Midnight Magic".

# MIDNIGHT MAGIC

After weeks and weeks of planning, the night finally came. The Civic Center was decorated with streamers, roses, and murals, of the parks and gardens, which all helped to provide the proper atmosphere. This Prom, like the Senior class, proved to be the best in WiHi history as 159 entered into a night of "Midnight Magic". The Grand March started off the evening with Mr. Evans introducing every couple as they walked down the center of the room to the music of the class song, "The Long and Winding Road". The music for the rest of the evening was provided by the band Joint Venture. The excitement continued as everyone changed for a more casual atmosphere to attend the Prom Breakfast provided by the parents. Prom night, May 15, 1981, proved to be an exciting beginning to the end of our senior year.

# REMEMBER YESTERDAY

What began four years ago as just a dream came to life on Wednesday, June 3, as the class of 1981 received their diplomas. The parents and teachers proudly looked on as the seniors marched in during the opening ceremonies in the Civic Center. Jon LaMar (Vice President) opened the Commencement Exercises with a prayer followed by the welcome by Pam McGlothlin (Secretary). The choir offered musical selections and Beth Richardson sang the class song, "The Long and Winding Road". Kim Malone (Class Historian) reflected on the last four years of the class history. After which, Mr. Evans then spoke to the class concerning their future endeavors and responsibilities in life. Following Mr. Evans address, Mr. Ewalt, a member of the Board of Education, presented the diplomas to the class. James Parker (President) followed with the farewell to the class and Lisa Griffith gave the Benediction. The Graduating Class of 1981 then marched out "Remembering Yesterday, Dreaming of tomorrow, and Living for Today."

With this years graduating seniors, Mrs. Martha Nutter will also be continuing along the "long and winding road" of life. After graduating from the Salisbury High School, Mrs. Nutter attended Morgan State University in Baltimore. From there, she went on to do graduate work at Temple University and then received her Masters Equivalency from the University of Maryland, College Park. In her thirty-two years of teaching, Mrs. Nutter has taught in several schools on the Eastern Shore including Salisbury High School, Worcester High School, Pocomoke High School, and finally Wicomico Senior High School. She feels that most students at Wi Hi are cooperative and sincere and seem to have set goals. As for the future, Mrs. Nutter would like to do some limited traveling. She would also like to devote more time to the Shore-Up and to the United Methodist Church.

Also retiring this year is Contemporary Issues teacher, Mrs. Jimmie Lee Wilson. Mrs. Wilson graduated from Crisfield High School in Crisfield, Maryland and went on to the University of Pennsylvania, Philadelphia where she received her Bachelor's Degree. From there, she went on to the American International College in Springfield, Massachusetts where she received her Masters. The daughter of the late Governor J. Millard Tawes of Maryland, Mrs. Wilson has been teaching in Wicomico County for the past eleven years. Mrs. Wilson has no set plans for the future. She intends to get the most out of life that she possibly can. Good Luck, Mrs. Wilson.

## FOOTBALL

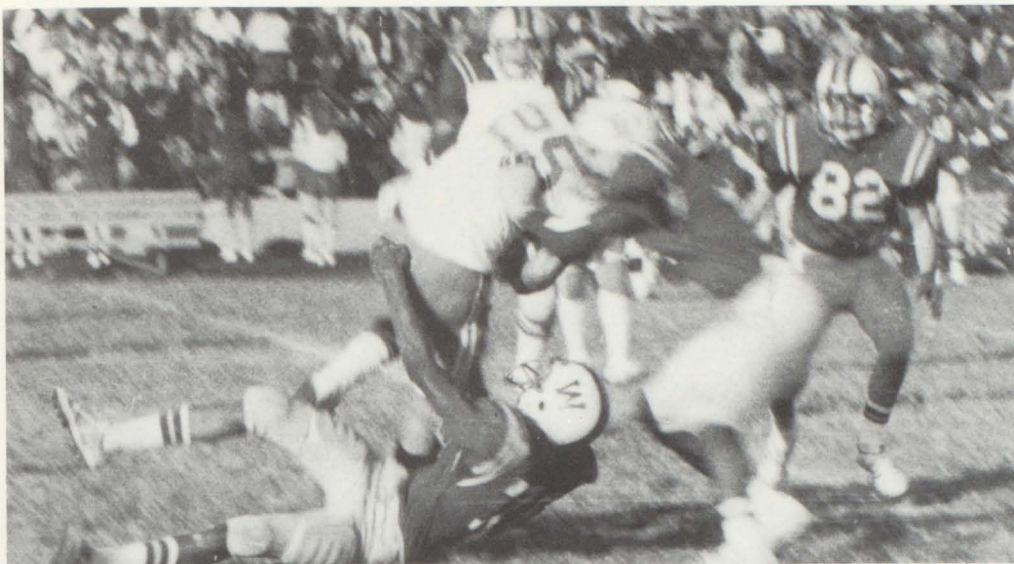

The 1980 football season proved to be a disappointment for WiHi. Plagued by injuries and inconsistent play the Indians lost six games by seven points or less.

While posting only a 1-9 record, the 1980 gridders accomplished what 1978's 9-1 squad could not: defeat the Cambridge/S.D. Vikings. The win came in a thrilling 14-12 overtime victory, snapping the Vikings' 45 game stronghold on the Bayside Conference.

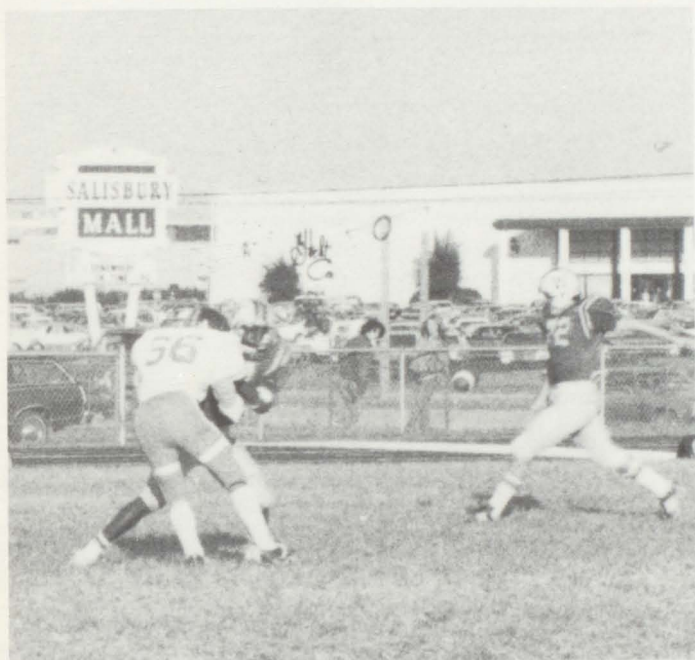

Tony Bateman received the MVP award for exceptional play on both lines of scrimmage. Captains, Lawrence Bivens and Mel Williams received the offensive and defensive Player of the Year, respectively. Williams was also selected to the All Bayside Conference first team and Bateman to the second team. Blair Willing was the recipient of the Offensive Lineman of the Year Award and the Senior Award. Jim Fox and Jerry "No-Limit" Watford received All-Conference honorable mentions. All of the above players were awarded All-City honors.

# SOCCER

At the start of the new decade, our soccer team found itself in the hands of first year coaches Robert Krater and Chuck Cross, who directed a young squad, known as the "Whoops Gang", to a 5-5 Bayside Conference ledger. The Tribe booters closed the season with a 2-1 setback to cross-town rival James M. Bennett in the first round of the MPSSAA class B playoffs. The Indians' three losses to the Clippers were the biggest disappointments, while the two victories over Parkside highlighted the successful campaign. Wi Hi's defense held its opponents to an average of just 1.26 goals per game and our potent offense tallied an average of 1.45 goals per content. Next year's squad will miss the services of seniors Sang Kang (MVP), Andy West, Mike Tull, Jeff Bean, Paul Anthony, Jon Lamar, Gary Wilbur, Jeff Zerr, and Ralph Gregory.

# VOLLEYBALL

The 1980-81 Volleyball team, led by Coach Betty Jane Dashiell finished up their season with a 4-6 win-loss record. Even though the girls didn't fair as well as they had in past years, they still put out all they had and did their very best. The team's most outstanding win came post-season when the girls defeated the boys' soccer team in both A and B action. The team will lose most of their Varsity team, including Senior Award Winner Joyce Rieben, MVP Pam McGlothlin, Kim Malone, Andrea Malone, and Terri Tonelli. We wish the returning girls good luck and hope they will serve up a good season next year.

The field hockey team finished the year with a 3-7 record. The very first game of the year was a controversial loss to Bennett. The stickers' first victory came with a 3-1 win over Crisfield. A bitter defeat came from Parkside with a 2-0 loss, followed by a 1-1 tie against Snow Hill in regulation time. The overtime period was scoreless. The WiHi girls were finally able to put the game in the win column with penalty shots by Kari Dianich and Ann Meilhammer.

Cherri Parker, Sarah Townsend, Maria Newton and Kari Dianich had consistently good play through the year. Maria Newton received the MVP award for her outstanding effort.

It was "inevitable" as Coach Waller said. In 1979, the Wi Hi Golf team was No. 3 in the Bayside Conference, in 1980, they were No. 2 and what other than No. 1 in 1981. The golf team had a total of 8 regular season matches. Of those 8 matches, Wi Hi won 4 times and came in 2nd 4 times. The golf team won the Bayside Championship, came in 2nd at the District VIII Tournament and won the City Championship. By finishing 2nd in the District Tournament, the team earned the right to go to the State Tournament at College Park. The team finished an outstanding 8th. The spectacular season was due to the surprising and steady play of four great guys. They were: Senior Mike Davis, 3-year letterman; senior Jeff Parker, "captain", "MVS", and 2-year letterman; sophomore Vince Cherrix, City "medalist", school "medalist", and 2-year letterman; and sophomore Davis Malone, "MVP", and 3-year letterman. Next year, the team and school are looking forward to the return of two of the area's finest golfers, Vince Cherrix and David Malone.

## WRESTLING

After 3 years of strenuous work and months of starvation, Mel Williams achieved what most wrestlers dream of - becoming State Champion. Mel went 19-2 this season with 12 pins. His 3 year record of 29-3-2 is unsurpassed. Williams plans to go to Salisbury State where he will continue his wrestling career.

The 1980-81 season was the best ever as the team captured 3 titles for the first time in their history. Undeclared in the Bayside with a 10-0 record and an overall record of 10-1, the WiHi grapplers were Bayside, District VIII, and Region IV champions. These achievements are outstanding for it is the first time the team has won the Bayside, the second time for the District, and the first time for the Regional. Mel Williams became only the second state champion in the history of the Eastern Shore by winning the 185 lb. division. Williams record for the regular season was 19-2. He also recorded the most pins with 12. Jeff Malcolm had another super year as he took second in the district, region, and state in the 126lb. division. Donnie Sample compered in the state competition but did not place. Sample completed the year with a 11-4 record. Don captured second in the district and region. The JV wrestlers finished with an impressive 9-0-1 record.

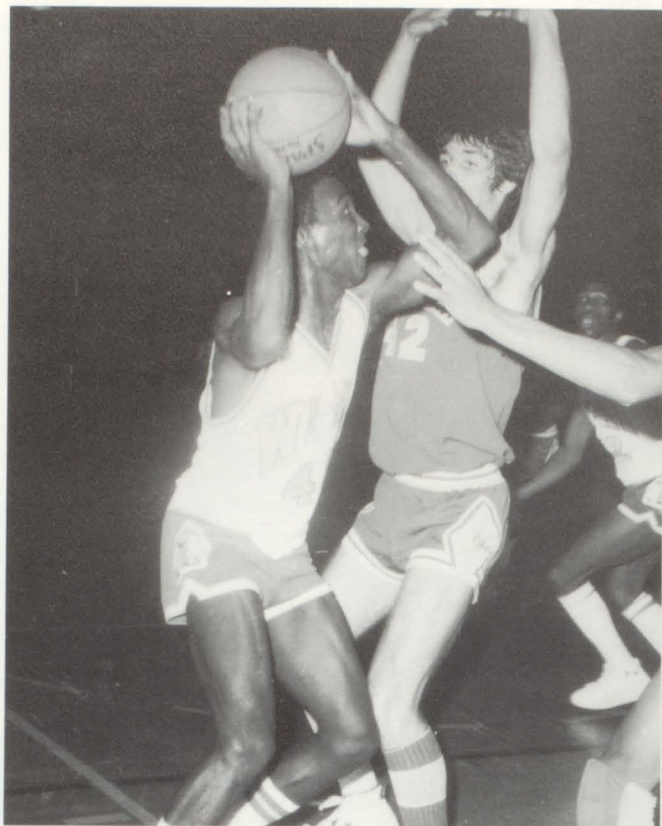

## BASKETBALL

The varsity basketball team went out with a bang as they defeated the Cambridge/S.D. Vikings on the Indians home court. With an overall record of 12 and 11 the Indians went into the Region IV Class B Tournament seeded fourth, but lost by a score of 77-66 to Stephen Decatur.

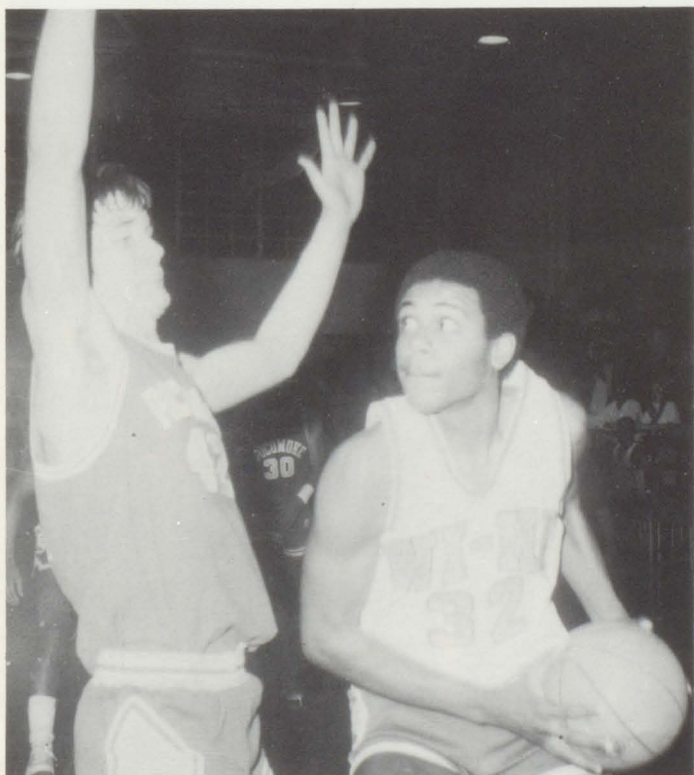

Sophomore, Brian Butler led the trail for the Indians. With an average of 14.4 points and 14 rebounds per game, Brian was named to the first team All-Bayside. Jaenell Downes and Tony Bareman tied for the most steals with 42 apiece. The highlight of the year was the game against DeMatha, the #1 ranked high school in the nation. The Indians gave what they had to give but were defeated 78 - 53.

# J.V. BASKETBALL

J.V. basketball netted a winning season of 10 - 8. Winning one game and and losing one game each to Bennett and Parkside, they tied as City Champions. The losses to Bennett and Parkside were each by a single point. One of the most thrilling games was against Washington. With one second remaining, losing 47 to 48, Raymond Leonard shot and made a half court shot to win the game. The climax of the season was against #1 in the nation, DeMartha. The JV's, though not lacking hustle, lost 71 to 51. John Jones led the scoring with 16.5 points followed by Ronald Bratten with 12.7. Next year promises to be another good year.

The Indians shot 6 to the Eaglettes' 36%. Joyce Rieben scored 21 points followed by Susan McDaniel and Evelyn Robinson with 14 and 12 points respectively.

Joyce Rieben ended the season with a career high 42 points. Rieben is WiHi's girls all-time leading scorer with a total of 1151 career points. She scored her 1000th point against Parkside to become only the second WiHi girl to reach this level.

Susan McDaniel was the 1980/81 MVP and Rieben received the Senior Award.

Next year, although without Joyce, Mrs. Holloway should have a fine season with veteran players Donna Revel, Susan McDaniel, Brenda Prushansky, and Evelyn Robinson.

# BASEBALL

Wi-Hi baseball proved to be super once again. As the 1981 season started with a 4-0 victory the players knew they were destined for the state playoffs.

With players like Jay Roglitz, John Psora and Alex Davis, along with many others their dream came true.

To start the playoffs they defeated Parkside by the same score as the opening game; 4-0. They then traveled to Kent to defeat them by a score of 8-7. This victory put them into the state finals against last year's state champs.. The proud Wi-Hi team lost by a score of 0-7, against Brooklyn Park. The Indians had a fine season with an overall record of 13-5-2 and becoming newly crowned regional champions.

John Psora was this years MVP and Donald Johnson was the most valuable senior. Next year promises to be a successful season with the pitching of Dean White and Craig Shrieves along with the slugging power of Bruce Matthews and Alex Davis.

The WiHi track team continued its winning tradition by compiling a 8-1 record for the season. The Indian thindlads placed second in the Bayside and Regional Championships, and secured a third place in the prestigious Bennett Relays, while competing against teams from Maryland, Delaware, and Virginia. Led by MVP captain Jeff Parker and MVS captain Marcel Slemmons, the team proved that they were one of the best on the Shore. Four records were set this year: The 800 and 400 meter relay teams had record-breaking times, senior Jeron Mitchell set a new mark in the 400 meter dash, soph. Jamie Paige in the 1600 meter run.

Although they lose 12 senior this year, Coach Schoepf's team has the nucleus to become one of the most respected teams in the state.

DO YOU KNOW WHY MORE AND MORE HIGH SCHOOL GRADUATES ARE CHOOSING  
WOR-WIC TECH COMMUNITY COLLEGE?

- Is it because courses are offered in convenient locations throughout Wicomico and Worcester Counties?
- Is it because tuition is low and the quality of education is high?
- Is it because so many Wor-Wic Tech graduates locate jobs in the area?
- Is it because of the variety of work-study, scholarship and loan programs available?
- OR is it because they can choose from more than 10 Associate in Arts Degree programs in...

## **The Minolta EP310 Plain Paper Copier.**

**The things that make it  
a dependable small-office copier  
also make it  
a dependable big-office copier.**

The Minolta EP 310 has two assets you won't find on the biggest, most expensive plain paper copiers.

It's small. And it's moderately priced.

While one EP 310 is ideal as the only copier in a small office, several of them can be perfect for satellite locations in a large office.

So your people can spend more time at their desks. And less time waiting in line at a distant copy center.

The EP 310 gives you consistently high copy quality from virtually any original, including books. And it copies on virtually any kind of paper, including your letterhead.

And since the EP 310 is often the only copier in a small office, Minolta had to make it dependable. So we gave it an extremely short, straight paper path to make it virtually jamproof. And a self-diagnostic system that tells you the right thing to do if anything ever

goes wrong.

See the EP 310 at your Minolta copier dealer. It's the small copier that's as much at home in a big office as a small one.
